Bosco

En un prodigio técnico que desafía los sentidos, Bosco consigue capturar la esencia de las lamas de madera recién cortada en una propuesta porcelánica para pavimentos en los que, como en la naturaleza, es imposible detectar un patrón.

A technical prodigy that defies the senses, Bosco is able to capture the essence of the freshly cut wooden slats in a porcelain proposal for floor tiles in which, as in nature, it is not possible to find a pattern.

Basel

La naturaleza es perfecta pero hay quienes sueñan con mejorarla. Basel reproduce el suave tacto de la roca volcánica pulida por el agua y su textura bajo la luz en una propuesta porcelánica de altísimas prestaciones para pavimento y revestimiento.

Nature is perfect but there are those who dream of improving it. Basel replicates the soft touch of volcanic rock polished by water and its texture under the light in a porcelain proposal for floor and wall tiles with an outstanding performance.

Limestone

Matices y juegos de reflejos dotan de vida y realismo a una colección que se inspira en los compuestos de piedra caliza para reproducir con mimo cada partícula, luminiscencia o matiz de estas superficies.

Shades and a mix of reflections bring life and realism to a collection inspired by limestone compounds to carefully replicate every particle, luminescence or nuance of these surfaces.

Terre

El barro cocido, la piedra y el cemento pintado coinciden en una propuesta porcelánica que se inspira en el estilo de vida de la Europa más cálida. Terre vuelve la mirada a la tradición de la vida en la calle, el sol y la joie de vivre para devolver una gama de pavimento y revestimiento que es un regreso al origen y al hogar.

Baked clay, stone and painted cement reunite in a porcelain proposal inspired by the warmest European lifestyle. Terre looks back to the tradition of life on the streets, the sun and the joie de vivre to provide a range of floor and wall tiles that represent a return home, to our origins.
